Each Local Section Executive Committee can implement its own approval process for its Rules (consistent with the requirements of the ANS Bylaws and requirements of the ANS Bylaws and Rules and the Standard Bylaws for Local Sections), but explicit full-membership approval of the Standards Bylaws is unnecessary.

Existing Sections may continue to operate under their old Bylaws until they adopt⁸⁰ Rules reviewed by the Bylaws and Rules Committee of the Society. Adoption of the Standard Bylaws by a Technical Group is indicated by the filing of an approved set of Technical Group Rules with ANS Headquarters (see R18.5.2). Each Technical Group Executive Committee can implement its own approval process for its Rules (consistent with the requirements of the ANS Bylaws and Rules and the Standard Bylaws for Professional Divisions or Technical Groups), but explicit full-membership approval of the Standard Bylaws is unnecessary.
