

ISSUES	AD DEADLINES	EDITORIAL TOPICS	ADVERTISER FEATURES	BONUS CIRCULATION <i>(Check our web site and monthly flyers to verify actual distribution locations)</i>
BUYERS GUIDE	Space: February 26 Material: March 5	41st Annual Mid-April BUYERS GUIDE Index to Categories; Nuclear Products, Materials and Services Directory; and U.S. and Worldwide Directory of Suppliers	EXTRA 13th Issue of Year! Place your ad in the product/service category of your choice!	• This issue will be circulated throughout the entire year at the most essential nuclear-related conferences, meetings, and exhibitions worldwide.
JAN	Space: December 10 Material: December 16	2010 PREVIEW A look at the year ahead, with a review of the status of new nuclear plant projects in the United States and internationally.		• Information System on Occupational Exposure North American ALARA Symposium/EPRI Radiation Protection Conference, Ft. Lauderdale, Fla. on Jan. 11-13
FEB	Space: January 8 Material: January 13	Coverage of the latest news and developments on a variety of nuclear-related topics, including those in the areas of power, operations, security, fuel, isotopes and radiation, waste management, people and more.		• Public Information Materials Exchange (PIME 2010), Budapest, Hungary on Feb. 14-17 • Platts 6th Annual Nuclear Energy Conference: Nuclear Energy; Opportunities for Growth and Investment in North America, Bethesda, Md. on Feb. 17-19
MAR	Space: February 10 Material: February 15	12TH ANNUAL REFERENCE ISSUE Featuring the World List of Nuclear Power Plants, maps showing plant locations, and tables with information on U.S. plant renewals, ownership/operator changes, and COL applications docketed by the NRC.		• Waste Management Conference (WM2010), Phoenix Convention Center, Phoenix, Ariz. on Mar. 7-11 • International Conference on Human Resource Development for Introducing and Expanding Nuclear Power Programmes, Abu Dhabi, United Arab Emirates on Mar. 14-18 • 1st International Nuclear and Renewable Energy Conference (INREC '10), Jordan University of Science and Technology, Amman, Jordan on Mar. 21-24
APR	Space: March 10 Material: March 15	OUTAGE MANAGEMENT Feature articles will focus on innovative procedures and processes in the area of the management of outages at nuclear plants.	Special Section: Request to have your ad placed within the editorial topic.	• ANS Student Conference 2010, Ann Arbor Marriott Ypsilanti at Eagle Crest, Ann Arbor, Mich. on Apr. 8-11 • ANS Radiation Protection & Shielding, Isotopes & Radiation, and Biology & Medicine Divisions Joint Topical, Palace Station Hotel and Casino, Las Vegas, Nev. on Apr. 19-23
MAY	Space: April 9 Material: April 14	U.S. POWER REACTOR CAPACITY FACTORS Analyses of performance over the past three-year period for every reactor, multi-reactor plant, and multi-plant licensee.		• PHYSOR 2010, Sheraton Station Square Hotel, Pittsburgh, Pa. on May 9-14 • Nuclear Energy Assembly, Westin St. Francis, San Francisco, Calif. on May 17-19 • 11th Annual Electric Power Conference and Exhibition, Baltimore Convention Center, Baltimore, Md. on May 18-20 • European Nuclear Conference (ENC 2010), Barcelona, Spain on May 30-June 3
JUN	Space: May 10 Material: May 14	NEW CONSTRUCTION Feature articles will look at such topics as plant modularization, status reports on plant projects in Europe, and progress toward new build in the United States.	Special Section: Request to have your ad placed within the editorial topic.	• 2010 ANS Annual Meeting, San Diego, Calif. on June 13-17 • Emergency Preparedness Communication Forum, Clearwater Beach, Fla. on June 14-15 • International Conference on Operational Safety Experience and Performance of Nuclear Power Plants and Fuel Cycle Facilities, Vienna, Austria on June 21-25
JUL	Space: June 10 Material: June 15	Coverage of the latest news and developments on a variety of nuclear-related topics, including those in the areas of power, operations, security, fuel, isotopes and radiation, waste management, people and more.		• Institute of Nuclear Materials Management (INMM) 51st Annual Meeting, Baltimore Marriott Waterfront Hotel, Baltimore, Md. on July 11-15 • Utility Working Conference and Vendor Technology Expo, Amelia Island Plantation, Amelia Island, Fla. on Aug. 8-11
AUG	Space: July 9 Material: July 14	16TH ANNUAL VENDOR/CONTRACTOR PROFILE ISSUE Information about products and services provided by companies in the nuclear industry — including their capabilities, past accomplishments, and future plans. *BUY ONE — GET ONE FREE!	*Purchase a full-page or half-page advertisement and receive the equivalent amount of adjoining ad space free of charge for your advertorial profile.	
SEP	Space: August 10 Material: August 13	Coverage of the latest news and developments on a variety of nuclear-related topics, including those in the areas of power, operations, security, fuel, isotopes and radiation, waste management, people and more.		• International Atomic Energy Agency (IAEA) General Conference, Vienna, Austria on Sept. 20-24 • 2010 LWR Fuel Performance Meeting/Top Fuel, Hyatt Regency Grand Cypress Hotel, Orlando, Fla. on Sept. 26-29
OCT	Space: September 10 Material: September 15	NUCLEAR POWER PLANT MAINTENANCE Features will focus on such areas as lessons learned during maintenance outages, new procedures / processes to streamline maintenance, and completed maintenance projects.	Special Section: Request to have your ad placed within the editorial topic.	• 17th Pacific Basin Nuclear Conference (17PBNC), Cancun, Mexico on Oct. 24-30
NOV	Space: October 8 Material: October 13	Coverage of the latest news and developments on a variety of nuclear-related topics, including those in the areas of power, operations, security, fuel, isotopes and radiation, waste management, people and more.	OFFICIAL Show Issue of the ANS Winter Meeting and Nuclear Technology Expo	• 2010 ANS Winter Meeting and Nuclear Technology Expo, Riviera Hotel and Casino, Las Vegas, Nev. on Nov. 7-11
DEC	Space: November 10 Material: November 15	FUEL Features will cover such topics as uranium supply / demand and pricing, fuel reliability, enrichment and international security, and progress on fuel facilities.	Special Section: Request to have your ad placed within the editorial topic.	• Nuclear Power International 2010, Orange County Convention Center, Orlando, Fla. on Dec. 14-16
