

A large, curved graphic on the left side of the page. It features a black background with a view of Earth from space at the top and a view of Mars at the bottom. The Earth is a blue and white sphere, while Mars is a reddish-orange planet with visible craters. The text 'THE FUTURE OF NUCLEAR' is centered over this graphic.

THE FUTURE OF NUCLEAR

BWXT IS A LEADER IN
MANUFACTURING COATED FUELS FOR
ADVANCED NUCLEAR REACTORS,
MICROREACTORS AND SPACE POWER
AND PROPULSION.
