

**“You can count on
our experts for
reliable digital
I&C upgrades.”**

— Clayton Scott,
Sr. Vice President,
Global I&C

Together, writing stories of success.

When it comes to modernizing your instrumentation and control (I&C) systems, you can be confident Framatome will meet your specific requirements. Why? Because we've completed more than 300 I&C projects worldwide. Our solutions integrate into your existing systems, and our proven reliability and functionality get you back online as quickly as possible.

We work closely with your team to ensure safe and reliable plant operation. And we have the proven, state-of-the-art technology to help you save money and extend the life of your plant.

Your performance
is **our** everyday **commitment**
