

“Protecting your fuel supply has been and will always be our mission.”

— Ala Alzaben,
SVP, Framatome Commercial and
Customer Center Fuel Business Unit

Together, writing stories of success.

Nuclear energy is essential to meeting clean-air energy standards. Our future generations are counting on us to deliver.

We understand the importance of a reliable fuel supply to meet the future demands. For more than 60 years, we have been a trusted partner delivering a secure supply of the most advanced nuclear fuel technologies in the world. With an unmatched safety record and dedicated team of experts, we provide certainty for today, tomorrow and the future.

Your performance
is **our** everyday **commitment**
