

“Our teams are proven, proactive and prepared to take on your challenges.”

— Carl Fisher,
VP, Customer Accounts &
Government Affairs

Together, writing stories of success.

When you work with Framatome, you get people with new ideas and unmatched experience that are always ready to deliver. **We're prepared** — ATRIUM 11 delivers the best fuel utilization globally and is available now. **We're proactive** — using best practices, we worked with a utility to transition outage services while meeting their shorter outage goal. **We're proven** — with decades of experience installing more than 300 complete nuclear I&C systems in different reactors worldwide. Read more about how we work together with your teams to create stories of success at www.framatome.com/stories.

Your performance
is **our** everyday **commitment**
