Because you know  
Biach, you already  
know us.

**It has to be Hydratight**

Biach, now part of Hydratight, pioneered the first nuclear tensioning system. Today, Hydratight operates in more than half of the world's nuclear plants, including 80% in the USA. As one company, we provide specialized bolted joint integrity products and services that ensure leak-free performance, reliable operation and shorter, more predictable outages.
