Wanted: a hard job.

Performing our first nuclear project more than 30 years ago, Graycor has earned its reputation as a premier general contractor in the power industry. We have since taken on greater challenges and harder jobs that consistently exceed our clients' expectations.

Graycor's safety and quality-driven culture is proven by our industry low incident rates and fostered by working under our 10 CFR 50 Appendix B/NQA-1 nuclear quality program since 1995.

Let Graycor assist you with challenging industry initiatives and safe, reliable operation through license extensions and beyond.

Call us today at 630.684.7306.
