Kiewit

JOBS DONE WELL

Backed by 140 years of experience, Kiewit's nuclear history began in 1952 with the Portsmouth Gaseous Diffusion Plant. Today, we have a diverse array of experience as an NQA-1, ASME Section III and N-Stamp quality provider, and are dedicated to being a premier contractor in the nuclear market. Kiewit's nuclear-grade quality programs are staffed by engineering, procurement and construction experts. Our integrated team incorporates constructability into the earliest stages of project development for schedule and cost certainty.
