

of energy. The role has been vacant since Rita Baranwal left the position on January 8, 2021. Huff was named principal deputy assistant secretary of

Huff nuclear energy and acting assistant secretary of energy for nuclear energy in May 2021. A member of the American Nuclear Society since 2008, Huff was elected to the ANS Board of Directors in April 2021 but declined that position when she assumed her duties at the DOE.

Jeff Krohn, Savannah River Nuclear Solutions (SRNS) chief information officer, has been recognized as a

Krohn Government Hero of the Year in the Stevie Awards program's COVID-19 response category during the 18th annual International Business Awards program in December 2021. Krohn reprioritized and rallied for funds, equipment, and other resources required to adequately transition the SRNS workforce during the pandemic, while negotiating licensing terms, lease agreements, and other critical services. SRNS is a Department of Energy contractor at the Savannah River Site. The Stevie Awards recognize outstanding performances in the workplace worldwide.

NRC

Daniel H. Dorman has been

Dorman selected by the Nuclear Regulatory Commission as the agency's executive director for operations, the highest-ranking NRC career position. Dorman succeeds **Margaret M. Doane**, who left the agency to become deputy director general for management at the International Atomic Energy Agency. Dorman previously served as the deputy executive director for reactor and preparedness programs, which included oversight over all four
