

We Control Airflow

From the Fan to the Register and Grill

SSM Industries, Inc. has provided and installed complete mechanical systems in the Industrial and Power Industries for over 50 years. SSM has built Stadiums, Hospitals, Bio / Chem Labs and Nuclear Power Plants.

NYB's mission is to be a world leader in manufacturing premium-quality, engineered fans and blowers to the industrial marketplace; fulfilling the need for reliable air movement and timely delivery.

Together we form the largest & most experienced Nuclear HVAC design, fabrication, supply and installation team available. **Trust our decades of nuclear experience to provide the best component or system for your application.**
