S Stationary

Why wouldn’t you want to be a member of the DESD community?
Visit our website at DESD.ANS.org

Working on projects in the nuclear decommissioning industry? Involved in the remediation of radiologically impacted sites? The ANS Decommissioning and Environmental Sciences Division wants you!

Membership benefits include:
• Opportunities to network with leaders working current and potential new projects in the nuclear community with expertise in decommissioning, license termination, and the characterization and remediation of contaminated sites.
• Work with industry and regulatory experts in sustainable development and environmental stewardship.
• A semi-annual DESD newsletter on the status of the industry available only to members.
• Special pricing on publications related to the decommissioning and environmental sciences industry.
• Recognition and awards from peers for exceptional performance and lifetime achievement.

Join the Decommissioning and Environmental Sciences Division
