

**American Nuclear Society** *meetings and conferences*  
*are the best way to keep current with the ever changing*  
*fields of nuclear science and technology.*

### **3 WAYS TO KEEP UP-TO-DATE**

- 1) The national meetings feature comprehensive technical programs, professional development workshops, exhibits, tours and special events
- 2) Executive conferences and workshops focus on timely issues and topics regarding the implementation, operation and regulation of the nuclear industry
- 3) Topical meetings provide in-depth coverage of selected technical subjects

2008 ANS Annual Meeting • Anaheim, California

2008 ANS Winter Meeting • Reno, Nevada

*The opportunity to meet other professionals and discuss issues with recognized authorities will enrich your professional development.*

**Make plans now to attend!**
