AGREEMENT ON COPYRIGHT

Certain rights under copyright to the article (MS.                  ) submitted with the title

by (the "Assignor")

are assigned to the American Nuclear Society (ANS), effective when the article ("work") is accepted for presentation or
publication by ANS, and secured by ANS registration of publication collective works of which this article will be a part.

The Assignor (author or authors) warrants that he has full right to make this Agreement, that his work does not violate the rights
of other persons nor infringe upon any existing copyrighted work. If copyrighted material of a third party is included, the
Assignor agrees that he will obtain required permission for its reuse.

The Assignor retains the right to reproduce this article for his own use. Also, the Assignor keeps the right to use all or part of
the work in future works he prepares--but not within six months after ANS publishes this article, unless agreed to by ANS.

The Assignor also retains the right to grant to third parties permission to republish all or part of the work, provided written
permission also is given by ANS. Proprietary rights other than copyrights, such as patent rights, also are retained by the
Assignor.

If the Assignor is acting for other authors, their rights are retained or transferred in the same manner under this Agreement.

If the author(s) created this work while employed by the U.S. Government or one of its contractors, and within the scope of
such employment, the U.S. Government is granted a nonexclusive royalty-free license to publish, republish, or reproduce the
work or to allow others to reproduce this work for U.S. Government purposes.
