

# 2011 Utility Working Conference & Vendor Technology Expo

August 14-17, 2011 ■ Westin Diplomat ■ Hollywood, Florida

## *“It’s Not Easy Being Green:*

*Innovations for Continued Safe, Secure, and Competitive Nuclear Operation”*

## Project/Work Management Track

*Please join your Utility, NRC, NEI, INPO, and EPRI peers at the 2011 Utility Working Conference. This conference brings together Project Management and Work Management professionals throughout the industry and provides an environment conducive to open communications on current issues, lessons learned and innovations.*

*In addition to the sessions specifically geared for PM and WM issues, the keynote speakers and the special plenary session on the Fukushima event will be particularly interesting and timely.*

*Register now at: [www.ans.org](http://www.ans.org); from the home page look for upcoming meetings and click on the Utility Working Conference and Vendor Technology Expo*

Monday August 15, 2011 (**Keynote Speaker: John Rowe, CEO Exelon**)
