

2011 Utility Working Conference & Vendor Technology Expo

August 14-17, 2011 ■ Westin Diplomat ■ Hollywood, Florida

“It’s Not Easy Being Green:

Innovations for Continued Safe, Secure, and Competitive Nuclear Operation”

Regulatory & Oversight Track

Please join your Utility, NRC, NEI, INPO, and EPRI peers at the 2011 Utility Working Conference. This conference brings together Regulatory and Oversight professionals throughout the industry and provides an environment conducive to open communications on current issues, lessons learned and innovations.

In addition to the sessions specifically geared for regulatory, licensing, and oversight issues, the keynote speakers and the special plenary session on the Fukushima event will be particularly interesting and timely.

Register now at: www.ans.org; from the home page look for upcoming meetings and click on the Utility Working Conference and Vendor Technology Expo
