

# 2011 Utility Working Conference & Vendor Technology Expo

August 14-17, 2011 ■ Westin Diplomat ■ Hollywood, Florida

## *“It’s Not Easy Being Green:*

*Innovations for Continued Safe, Secure, and Competitive Nuclear Operation”*

*Please join us at the 2011 American Nuclear Society’s Utility Working Conference dedicated to identifying innovations in all areas of nuclear power plant operations. The functional area tracks/sessions bring together professionals with different perspectives focusing on current issues and innovations.*

## Special Fukushima Session

### Wednesday August 17th, 2011

At the time of this conference it will be approaching 6 months since the events at the Fukushima site; the UWC planning Committee has added a special afternoon session consisting of presentations by the speakers below on the lessons learned and actions going forward from the event. The presentations will be followed by a panel question and answer period with the speakers as the panel.

#### Speakers:

**Martin Virgilio, Deputy Executive Director for Reactor and Preparedness Programs, US-NRC**

**Tony Pietrangelo, Chief Nuclear Officer and Senior Vice President, NEI**

**William Webster, Senior Vice President Industry Evaluations, INPO**

**Charles Pardee, Chief Operating Officer, Exelon Generation**

#### Additional Panel Member:

**Jack Grobe, Deputy Director NRR, US-NRC**

**Facilitator: Amir Shahkarami, Chief Executive Officer, Exelon Nuclear Partners**

Please register now as openings are filling quickly; go to [www.ans.org](http://www.ans.org) and look for the Utility Working Conference and Vendor Technology Expo link under upcoming meetings.

#### Meeting Information [www.ans.org](http://www.ans.org)
