STUDENT POSTER SESSION INSTRUCTIONS

Your poster presentation at the ANS/ENS International Meeting will be presented in a Student Poster Session at the OMNI Shoreham Hotel on Tuesday, November 13th, 4:00 to 6:00 p.m., in the Blue Prefunction Foyer. During this session all posters will be discussed simultaneously. Your poster display must be manned at all times during the session by you or a co-author. Please leave posters up throughout the session for the meeting attendees to view.

POSTER SESSION SET-UP TIMES

Please review these guidelines carefully and prepare your poster presentation and materials to take maximum advantage of presenting in a poster session. In particular, please note that poster sessions differ in these important ways from traditional sessions:

- Visual materials must be limited to those that can be displayed on a 4' x 8' poster board and read at a distance of a few feet.
- Presentations should be discussed, rather than simply read.
- Poster displays frequently require more planning and preparation and can include more complex figures.

THE CONFERENCE WILL FURNISH THE FOLLOWING:

- One 4' x 8' poster board and 2 chairs
- Supplies: marking pens, thumb tacks, scissors, heavy paper stock
- Ice water and glasses in the room

PRESENTERS MUST FURNISH THE FOLLOWING:

- Identification sign - title of presentation and student(s) name (this is very important)
- Diagrams, charts, figures, photos, drawings - These should be sized and lettered so they are legible and readable at a distance of a few feet. They should also be simple, colorful, well-labeled, and neatly done.

SET-UP INSTRUCTIONS

You may assemble your poster presentation in the Blue Prefunction Foyer on Tuesday, November 13th, between 1:00 and 4:00 p.m.

- Mount your display material on the poster board in an attractive, logical way, using push pins.
- Material that is not pertinent to the subject of your presentation should not be exhibited.

PRESENTATION

- Your presentation must be attended throughout the entire session by the primary author or co-author.
- Materials must remain posted for the duration of the session.
- Remember that this is an informal discussion and information exchange. The discussion may begin with a question from an interested attendee. You may initiate a discussion by pointing out the particular figure that depicts the essential conclusions of your presentation and allow questions and answers.

TEARDOWN INSTRUCTIONS

- Remove all of your materials from the poster board immediately after the end of the presentation period.
ANS will not be responsible for materials left in the area after the presentation period.
