A poster session open to undergraduate and graduate students will be held at the 2015 ANS Winter Meeting in Washington, DC, on Tuesday, November 10th from 11:00 a.m. to 1:00 p.m. in the Technology Expo. Topics accepted for poster presentations include all tracks included in the full meeting, as well as several topics related to education, outreach, and student section operation (see below for full listing of topics).

This poster session is an opportunity for you to present your work at a large meeting of industry, academic, and governmental leaders. Cash prizes will be awarded for the best posters presented.

To submit a poster for the session, please complete the online Student Poster Submittal Form, include a poster abstract or description of between 150 and 300 words and indicate the category of the topic from the following list:

1. Accelerator Applications
2. Aerospace Nuclear Science and Technology
3. Biology and Medicine
4. Decommissioning and Environmental Sciences
5. Education, Training, and Workforce Development
6. Fuel Cycle and Waste Management
7. Fusion Energy
8. Human Factors, Instrumentation, and Controls
9. Isotopes and Radiation
10. Materials Science and Technology
11. Mathematics and Computation
12. Nuclear Criticality Safety
13. Nuclear Installations Safety
14. Nuclear Nonproliferation
15. Operations and Power
16. Radiation Protection and Shielding
17. Reactor Physics
18. Robotics and Remote Systems
19. Thermal Hydraulics
20. Professional Development
21. Nuclear Engineering Lab Experiments
22. Co-op or Internship Experience and Results
23. Student Outreach Activities
24. Best Practices for Student Sections

The deadline for submission of poster abstracts or descriptions is **Friday, October 9, 2015**.

Your poster presentation at the 2015 ANS Winter Meeting will be presented in the Student Poster Session at the Marriott Wardman Park on Tuesday, November 10th, 11:00 a.m. to 1:00 p.m. in the Technology Expo. During this session all posters will be discussed simultaneously. Your poster display must be manned at all times during the session by you or a co-author. Please leave posters up throughout the session for the meeting attendees to view.

**POSTER SESSION SET-UP**

Please review these guidelines carefully and prepare your poster presentation and materials to take maximum advantage of presenting in a poster session. In particular, please note that poster sessions differ in these important ways from traditional sessions:

- Visual materials must be limited to those that can be displayed on a 4’ x 8’ poster board and read at a distance of a few feet.
- Presentations should be discussed, rather than simply read.
- Poster displays frequently require more planning and preparation and can include more complex figures.

**THE CONFERENCE WILL FURNISH THE FOLLOWING:**

- One 4’ x 8’ poster board and one chair
- Placard with title of presentation and authors
- Ice water and glasses in the room

**PRESENTERS MUST FURNISH THE FOLLOWING:**

- Diagrams, charts, figures, photos, drawings - These should be sized and lettered so they are legible and readable at a distance of a few feet. They should also be simple, colorful, well-labeled, and neatly done.

**SET-UP INSTRUCTIONS**

You may assemble your poster presentation on Sunday, November 8th between 3:00 p.m. and 5:00 p.m. in the Technology Expo. As the President’s Reception will be held in the Technology Expo Sunday evening, students are encouraged to stand by their poster, during the event.

- Mount your display material on the poster board in an attractive, logical way, using push pins.
- Material that is not pertinent to the subject of your presentation should not be exhibited.

**PRESENTATION**

- Your presentation must be attended throughout the entire session by the primary author or co-author.
- Materials must remain posted for the duration of the session.
- Remember that this is an informal discussion and information exchange. The discussion may begin with a question from an interested attendee. You may initiate a discussion by pointing out the particular figure that depicts the essential conclusions of your presentation and allow questions and answers.

**TEARDOWN INSTRUCTIONS**

- Remove all of your materials from the poster board on Tuesday, November 10th, promptly at 2:00 p.m.
  
  *ANS will not be responsible for materials left in the area after the presentation period*
