AGREEMENT ON COPYRIGHT

Certain rights under copyright to the article (MS._________) submitted with the title ________________________

by ______________________________________________________________(the “Assignor”)
are assigned to the American Nuclear Society (ANS), effective when the article (“work”) is accepted for
presentation or publication by ANS, and secured by ANS registration of publication collective works of which
this article will be a part.

The Assignor (author or authors) warrants that he has full right to make this Agreement, that his work does not
violate the rights of other persons nor infringe upon any existing copyrighted work. If copyrighted material of a
third party is included, the Assignor agrees that he will obtain required permission for its reuse.

The Assignor retains the right to reproduce this article for his own use. Also, the Assignor keeps the right
to use all or part of the work in future works he prepares—but not within six months after ANS publishes this
article, unless agreed to by ANS.

The Assignor also retains the right to grant to third parties permission to republish all or part of the work,
provided written permission also is given by ANS. Proprietary rights other than copyrights, such as patent
rights, also are retained by the Assignor.

If the Assignor is acting for other authors, their rights are retained or transferred in the same manner under this
Agreement.

If the author(s) created this work while employed by the U.S. Government or one of its contractors, and within
the scope of such employment, the U.S. Government is granted a nonexclusive royalty-free license to publish,
republish, or reproduce the work or to allow others to reproduce this work for U.S. Government purposes.
