A poster session open to undergraduate and graduate students will be held at the 2008 ANS Winter Meeting in Reno, NV, on **Monday, November 10th** from 4:00 to 6:00 p.m in Crystal 3 & 4. Topics accepted for poster presentations include all tracks included in the full meeting, as well as several topics related to education, outreach, and student section operation (see below for full listing of topics).

This poster session is an opportunity for you to present your work at a large meeting of industry, academic, and governmental leaders. Cash prizes will be awarded for the best posters presented.

To submit a poster for the session, please complete the **Poster Submittal Form**, include a poster abstract or description of **between 150 and 300 words** and indicate the category of the topic from the following list:

1. Accelerator Applications
2. Aerospace Nuclear Science and Technology
3. Biology and Medicine
4. Decommissioning, Decontamination, and Reutilization
5. Education and Training
6. Environmental Sciences
7. Fuel Cycle and Waste Management
8. Fusion Energy
9. Human Factors
10. Isotopes and Radiation
11. Materials Science and Technology
12. Mathematics and Computation
13. Nuclear Criticality Safety
14. Nuclear Installations Safety
15. Operations and Power
16. Radiation Protection and Shielding
17. Reactor Physics
18. Robotics and Remote Systems
19. Thermal Hydraulics
20. Professional Development
21. Nuclear Engineering Lab Experiments
22. Co-op or Internship Experience and Results
23. Student Outreach Activities
24. Best Practices for Student Sections

The deadline for submission of poster abstracts or descriptions is **Friday, October 10, 2008**.
