

2020 Utility Working Conference and Vendor Technology Expo

*IT'S GO TIME: Initiating Transformational Change
to the Nuclear Business Model*

Marco Island, Florida August 9-12, 2020

Opportunity for ANS-YMG and NAYGN Members

The ANS Operations and Power Division (OPD) is offering an opportunity for **complimentary registration and hotel accommodations** to the American Nuclear Society Utility Working Conference (UWC) and Technology Expo. Upon successful completion of responsibilities, Knowledge Managers will receive complimentary registration and four nights housing at the host hotel.

****TO BE ACCEPTED YOU MUST BE AVAILABLE TO WORK FROM 3:00 PM ON SUNDAY, AUGUST 9th until 12:00 PM ON THURSDAY, AUGUST 13th when all work must be completed.****

Selected Knowledge Managers will be required to document the recommendations and best practices from their assigned sessions.

Technical Tracks are listed on the UWC Website (<http://uwc.ans.org>) and the attached application.

About the UWC

The UWC is an annual meeting of the minds that consistently generates well-supported, practical recommendations designed to address the industry's most pressing needs. The theme of the UWC is "Transformation Change to the Nuclear Business Model". There will be eleven Technical Tracks over three days offering the latest information in thought-provoking breakout sessions, to tackle the challenges of sustainability. The conference provides an excellent opportunity for benchmarking and sharing best practices. The event includes a vendor technology expo with over 90 companies exhibiting. Further details of the conference can be found on the UWC website (uwc.ans.org).

The Goal of the UWC

An important part of the UWC is knowledge sharing. The goal of the conference is to develop actionable recommendations that professionals at nuclear power plants can put into practice. To do this, the UWC needs Knowledge Managers to take session notes and to assist in development of recommendations. These recommendations come from presentations and discussions at dozens of breakout sessions. The Technical Program Chair distributes the recommendations to the functional area managers across the U.S. Fleet at the conclusion of the conference.

The Details

Up to 15 accepted Knowledge Managers will receive complimentary registration and four complimentary hotel room nights. If you wish to arrive early or depart later, please advise us at the time you are requested to provide your hotel reservations. Any additional room nights will be your responsibility. Additionally, if you are not already an ANS member, OPD will pay for your initial ANS Membership. **To apply, complete the application on the next page before Friday, April 17, 2020. If accepted, you will be notified on or before Monday, May 18, 2020.**
