

Nomination Form – Utility Achievement Award

This award recognizes the commercial nuclear power plant(s) that demonstrate outstanding achievements in performance. The criteria are non-specific; but the achievement may be either sustained outstanding performance or outstanding improvement in performance. Therefore, the nomination must provide supporting details and enough facts for the selection committee to make an informed decision. The award consists of an engraved plaque that is presented in August each year in conjunction with the ANS UWC.

NOMINEE

Plant:

Plant Representative (if known):

Telephone:

E-mail:
