*Sponsored Content*

The most comprehensive approach to convey your newest capabilities, products, or recent project success stories to the widest audience. Articles can be as technical or self-promotional as you see fit—authors control the content, timing, and messaging (as Sponsored Content is not subject to peer review or adhering to *NN* editorial guidelines).

- Published in the monthly *NN* issue of your choice
- Image with link to article positioned near top of Nuclear Newswire during month it appears in the magazine (this web page averages over 90,000 views per month)
- Article is posted within daily newsfeed and permanently archived on Nuclear Newswire
- Included as one of the top trending stories in a Friday Newswire broadcast email to 38,000 subscribers
- Promoted in *NN* issue member notification email

JANUARY
2023 Review | SMR History
A look back at the top nuclear news of the past year, and the history of small modular reactors.
AD SPACE Dec. 1, 2023 MATERIAL DUE Dec. 4, 2023
• USA Member & Supplier-Partner Winter Conference

FEBRUARY
Medical and Accelerator Applications
Focusing on radioisotopes and particle accelerator technologies for nuclear, medical, and industrial applications.
AD SPACE January 5 MATERIAL DUE January 8

MARCH
Reference Issue | International
Comprehensive data and articles on commercial nuclear plants planned or in operation around the world.
AD SPACE February 2 MATERIAL DUE February 5
• Waste Management Conference 2024
• Accelerator Applications 2024

APRIL
Space
A spotlight on nuclear applications for space exploration.
AD SPACE March 4 MATERIAL DUE March 6
• International Conference on Physics of Reactors (PHYSOR 2024)
• Nuclear and Emerging Technologies for Space (NETS-2024)

MID-APRIL
55th Annual Buyers Guide
Presentation of worldwide products, services, and suppliers in a print and online directory. Place your ad in the category that is most representative of your business.
AD SPACE March 18 MATERIAL DUE March 25

MAY
Capacity Factors | Security
The annual review of the U.S. fleet’s capacity factors, and a look at security—from IT to physical protection—for nuclear facilities.
AD SPACE April 5 MATERIAL DUE April 8

JUNE
Supply Chain
Highlights of the state of supply chains for existing and advanced reactors.
AD SPACE May 3 MATERIAL DUE May 6
• ANS Annual Conference
• USA Nuclear Generator and Supplier Executive Summit

JULY
Fusion | President’s Profile
The latest developments in fusion energy and applications, and the annual profile of the incoming ANS president.
AD SPACE June 3 MATERIAL DUE June 5
• 26th Technology of Fusion Energy (TOFE 2024)
• Health Physics Society Annual Meeting

AUGUST
Supplier Showcase | Policy
The 30th annual vendor/contractor issue, featuring BOGO ad space to profile your company, along with a look at policy making that affects the nuclear community ahead of the 2024 election season.
AD SPACE July 3 MATERIAL DUE July 2
• Utility Working Conference and Vendor Technology Expo (UWC 2024)

SEPTEMBER
Education and Workforce (Back to School)
From university nuclear engineering programs, to K-12 education, professional development, and more, education is the future.
AD SPACE August 2 MATERIAL DUE August 5
• Plutonium Futures - The Science 2024

OCTOBER
Outage Management | Plant Maintenance
Coverage of a perennially relevant topic, coinciding with the fall outage season.
AD SPACE September 3 MATERIAL DUE September 5
• Pacific Basin Nuclear Conference 2024 (PBNC)

NOVEMBER
Waste Management
Articles on the safe and secure treatment, storage, and disposal of solid and liquid wastes from nuclear operations.
AD SPACE October 3 MATERIAL DUE October 7
• ANS Winter Conference and Expo

DECEMBER
40 under 40
A look at the top young scientists, engineers, plant workers, government officials, suppliers, and others who make up the nuclear community.
AD SPACE November 1 MATERIAL DUE November 4

* Bonus Distribution: subject to change; refer to monthly promo on website to verify distribution locations.
* August BOGO Advertiser Special: Purchase a full-page or half-page advertisement and receive the equivalent amount of adjoining ad space free of charge for a company advertorial profile (extra $800 charge added if color is used on free full-page profile).
Radwaste Solutions

Created by ANS in 1994, this specialty publication provides expanded, dedicated, semiannual coverage of the fastest growing segments of the nuclear field—worldwide D&D, environmental remediation, and waste management activities. Content is for companies and professionals involved with the generation, handling, treatment, cleanup, transportation, storage, or disposal of radioactive waste.

RS EDITORIAL CALENDAR & ADVERTISING PLANNING GUIDE

SPRING
Waste Management and Transportation
Examining the safe management, storage, and treatment of all levels of radioactive waste, along with issues related to shipping nuclear materials.

AD SPACE February 5   MATERIAL DUE February 9
- 50th Annual Waste Management Conference (WM2024)
- RadWaste Summit

FALL
D&D and Environmental Remediation | 20th Annual Buyers Guide
The latest in the decontamination and decommissioning of nuclear facilities and the environmental cleanup of legacy waste and contaminated sites.

AD SPACE August 9   MATERIAL DUE August 13
- 25th Annual ETEBA Business Opportunities Conference
- ANS Winter Conference and Expo
  - Featuring the Decommissioning & Environmental Sciences and Remote Technology 2024 embedded topical

* Bonus Distribution: subject to change; refer to promo on website to verify distribution locations.
ANS is proud to be your “trusted media partner” for more than 65 years! Reach our global network of 38,000 nuclear professionals through our multiple publications and website.

Since *Nuclear News* accepted its first advertisement in 1960, nearly $100 million has been invested by thousands of companies and organizations advertising in our magazines, website, and digital products—and we thank you! If ANS media offerings are not part of your annual business development plans already, we invite you to join the hundreds of supporters who make our platform a priority to help further promote their offerings and corporate messaging to their current and future customers and employees.

Print: Magazines have historically been recognized as the number one ANS membership benefit—so your ads are getting noticed. Available in print and digital formats to all subscribers, as well as archived online (with live links through the ads).

Digital: More than 90,000 monthly followers of Nuclear Newswire web page with 38,000 subscribers to the Friday Newswire email recappping the top trending headlines from the week.

Online: According to Google Analytics, ANS averages more than 317,000 total page views per month, with Nuclear Newswire generating nearly one-third of those. Annual unique visits for the first three quarters of 2023 were 787,197.

Inside the Numbers...

2,400+ readers in the Operations and Power segments of the nuclear field

4,000+ readers in the specialized Decommissioning, Environmental Remediation, and Waste Management areas

1,600+ readers from National Labs and Government agencies

41% of our readers active within the nuclear workforce hold managerial level titles or higher—our magazines are read by the decision-makers you need to reach.

An additional 1,750 student members (nearly 40% in graduate-level programs) represent your future customers and employees.

Many a small thing has been made large by the right kind of advertising.

— Mark Twain
AD MATERIAL SUBMISSION

Preferred file formats
- Print-ready PDF format
- Adobe Creative Suite 5 or later
- EPS vector format (all fonts and photos must be embedded)
- TIFF Bitmap format (300 dpi at full size)
- JPEG Bitmap format (300 dpi at full size, high-quality compression)

Acceptable file formats (these formats may result in alterations to the ad due to the conversion process):
- Word processing documents (Word, WordPerfect, etc.)
- Presentation documents (PowerPoint, etc.)

For all other file formats, results can be unpredictable. Please check with us before sending any other file formats.

All ad material should be at least 300 dpi at the desired print size.

Do not include crop marks, registration marks, color bars, or other “non-live” material in your ad. Including these can interfere with the proper printing of your materials.

All supporting documents (Fonts, Pictures, Plug-ins, Xtensions) required for use with the files must be included. A laser copy of the ad should be included, with any spot colors clearly labeled. Alternatively, color separations or an Acrobat PDF proof may be sent. PDF proofs must be clearly marked as proofs only and not for production. Files sent electronically (via email or Web) MUST be compressed to decrease file size and protect data.

To ensure accurate color reproduction, please check that 4-color ad files are built using only CMYK colors; 4-color ads that include spot colors or RGB images will be converted to CMYK before printing, which could affect the appearance of the ad in the printed magazine.

Where to send ad materials
WEB ans.org/advertising/upload
EMAIL advertising@ans.org

*Due to variations in the binding process, please contact the Advertising Department (advertising@ans.org) for dimensions if you are interested in running a 2-page spread ad.
Specialty Print Options
Both magazines offer several specialized marketing opportunities to enhance your print ad campaign. Options include inserts, outserts, belly bands, gatefolds, etc. Please contact the Advertising Department at advertising@ans.org or 708-579-8225 for rates and availability.

Products and Services Advertising
All nonemployment ad space originating in the United States is sold through our regional sales representatives. All other locations should contact the main advertising office.

Employment/Recruitment Advertising
All print ads of this type should be placed directly through the main Advertising Department by emailing advertising@ans.org or calling 708-579-8226. In addition, the text from these ads will automatically be posted online to the ANS Career Finder job board for two months free of charge.

General Rate Policy
Advertisers will be short-rated if, within the calendar year of the first insertion, they do not use the amount of space upon which their billings have been established. Advertisers will be rebated if, within the calendar year of the first insertion, they have used sufficient additional space to warrant a lower rate than that at which they have been previously billed.

Copy & Contract Requirements
Advertiser and/or agency assume liability for all content (including text, representation, and illustrations) of advertisement and also assume responsibility for any claims arising therefrom made against the publisher. The publisher reserves the right to reject any advertising that is not in keeping with the publication’s specifications. Cancellations are NOT honored after the published ad space reservation deadline prior to the month of publication.

U.S. Agency Commission
Provided account is paid within 30 days from the month in which the advertisement appeared, 15% of gross billing on space, color, and position of print advertisements will be discounted to recognized ad agencies in the United States. Online and specialty print opportunities are noncommissionable. Invoices that remain unpaid beyond 60 days will be held responsible for the entire gross amount.

**ANS Notes & Deadlines**
ans.org/advertising/nd

Highlighting important ANS news and upcoming events, this HTML email is broadcast to the entire membership on the 10th of each month. Limited to two premium ad positions per email. For 2023, the monthly averages were as follows: 9,859 delivered, open rate 43%, and click-through rate of 6.50%.

---

**Nuclear Newswire**
ans.org/news

Launched during the height of the pandemic, to deliver more timely news to our readers between issues, Nuclear Newswire publishes daily content that impacts the nuclear community. Since its debut in April 2020, our online following has increased 10x to more than 90,000 readers per month. Not only has Nuclear Newswire become the most visited ANS web page, the corresponding Friday email (recapping the top trending stories from the week) is delivered to more than 38,000 subscribers.

Banner ad positions are available within the weekly email and online, along with a single premium text banner and sponsored content position at the top of this highly viewed web page.

---

**EMAIL BANNER AD SPECIFICATIONS**

Acceptable File Formats: JPG or PNG only (no animation). All files must be RGB colors; non-Flash images; no tags allowed.

**Banner**
- 728 x 90 pixels at 72 dpi (max 120kb)

**Text Banner Specifications**
- 640 x 320 with up to 340 total characters of text (including spaces). Only available on web page, see sample ad placement and rate on next page.
Five different banner sizes and formats are included with the banner package. At least one banner is displayed on every page throughout the entire ANS website, as well as all mobile devices and tablets. All banners are simultaneously rotated throughout the site, including such marquee locations as the main ANS home page, Nuclear Newswire, and meetings. Traffic reports showing your views and links are available upon request.

Nuclear Newswire text banner
Image and text block that is positioned at the top of the Nuclear Newswire page only. Limited to one advertiser per month. This is a separate purchase that is not included with the online banner package.

ANS Career Finder
ans.org/careers/finder

The online job board of the American Nuclear Society continues to evolve, as recruiting top talent and the workforce gap are now the number one challenges facing the vast majority of nuclear organizations. The ANS talent pool of more than 10,000 nuclear professionals, including 1,750 students in nuclear engineering programs, has quickly become the go-to industry resource hundreds of companies who continue to use our site to help support their hiring needs.

Accordingly, ANS is pleased to offer enhanced (premier) listing options to further set your company and job descriptions apart.

One credit per online position description (posts for 31 days). A credit can also be applied to an existing job description at any time to extend that posting by another month. Credits never expire, so buy in bulk and save. Email advertising@ans.org for larger customized packages.

ANS Webinars - NEW!
ans.org/webinars

ANS hosts a series of webinars throughout the year (at least one per month) featuring subject matter experts discussing a variety of topics of particular interest to the worldwide nuclear community. More than 13,000 professionals have attended our online events. Sponsor a single topic, or commit to multiple placements throughout the year for a discounted series rate.

Benefits
- Logo with a link to an expanded company profile is archived on the webinars page for each event/topic you sponsor
- Ability to add a company description, video, and power point presentation
- Sponsors' logos are included in three pre-webinar emails to ANS network of 35,000 contacts and one post-webinar email to all webinar registrants
- Company logo recognition, as a sponsor, on main ANS home page slide promoting the upcoming webinar
- Recognition of your company as a sponsor by the moderator during the webinar
- Opportunity to have a representative from your company participate as a subject matter expert during the webinar (preapproval required)

Hosting Capabilities

ANS will promote and host your webinar (up to one hour duration) on our platform. Preapproval of content and speakers is required. Rate: $5200

Benefits
- Three pre-webinar marketing emails sent on your behalf to entire ANS database of 35,000 (including all members and previous webinar attendees)
- Your webinar will be permanently archived within the overall ANS Webinars series web pages
- Dedicated web page provided for expanded company description, videos, power point presentations, speaker profiles, and more
- ANS staff or representatives available to host your webinar/ takes place on ANS platform
- ANS sends post-webinar email to all who registered with your post-event messaging
Buyers Guide Databases

NOW ONLINE

ans.org/news/bg

More than 50 years of collected data from our annual print directories is now available as a fully searchable database year-round! Join more than 600 companies listed throughout thousands of categories.

Become a Featured Supplier! While online and print listings remain free of charge—ONLY companies that purchase a print ad in the Nuclear News or Radwaste Solutions Buyers Guides receive enhanced listings. Online upgrades include company logo, being flagged as a featured supplier, having your company listing boosted to the top of category search results and your print ad displayed.

Nuclear News 55th Annual Buyers Guide is the premier commercial reference publication the nuclear industry has come to rely on since 1970. Published as a special 13th mid-April issue of Nuclear News (included with a subscription to NN, or can be purchased separately), this annual nuclear directory lists more than 600 worldwide companies throughout 475 categories of products and services that power the nuclear field.

Radwaste Solutions Buyers Guide (published within the Fall issue of Radwaste Solutions) lists nearly 500 worldwide companies that supply 173 products or services that are utilized by the specialized radioactive waste management and site cleanup and remediation segments of the industry.

Both Buyers Guides includes the following sections:

• Product listings: categories of products, materials, and services with a listing of suppliers for each

• Directory of Suppliers (alphabetical listing of suppliers [by country], which includes the supplier’s name, location, contact personnel, telephone numbers, email address, web address, and nuclear certification information, where applicable)

COMPANY LISTINGS ARE FREE!

It only takes a few minutes to create a free listing for your company via the Buyers Guide webpage: https://www.ans.org/news/bg/listings/create

If your company already has a free listing, the contact(s) we have on file will receive an email from us each year to verify or update the Buyers Guides. To ensure that we are publishing accurate information, this must be completed each year in order to be included in the Buyers Guides.
More than 41,000 lifetime ad pages sold... and counting.

Make advertising with ANS part of your annual budget today!
