Personal Statement

Personal Statement

Describe in 500 words or less what made you choose a nuclear related STEM career (science, technology, engineering, mathematics).

Address the following questions in your statement:

In what aspect of nuclear science, technology, engineering do you plan to concentrate, and why?

How far do you expect to go with your formal education, and why?

If you are not pursuing a nuclear engineering degree or emphasis, describe how your degree ties in to nuclear.
