Greetings from the 2021 Planning Committee

Dear Prospective Sponsors and Exhibitors,

We in the Department of Nuclear Engineering and American Nuclear Society at North Carolina State University are eagerly looking forward to April 8th - 10th, 2021 when we will host students, professionals, and future leaders in nuclear science and technology virtually at the 2021 ANS Student Conference.

At North Carolina State University, we aim to...

... ENLIGHTEN ourselves about nuclear science and technology as we share and contribute to the field. This student conference brings us together to share insight from student and expert researches on theories, applications, and innovations. Nuclear science and engineering is ubiquitous in society – from energy, health, defense, non-proliferation, to name a few. In such a widespread field, this conference provides the perfect platform for experts and students to come together and learn about the various ongoing cutting-edge research in different areas of nuclear science and engineering. In the year 2021, we aim to take stock of what we know, what we still need to know, what opportunities are present, and what the future holds.

... EMBRACE nuclear science and technology. As we learn, we must support our industry by contributing knowledge and impacting the next frontiers. We hold tight innovations to advance science and engineering across every existing and new industry that nuclear will transform.

... EMPOWER ourselves and others with knowledge and enthusiasm for the impact made by nuclear technologies of the past, present, and future. We will change the “not in my backyard” mantra to one of “in my backyard” because of the benefits it provides to societies near and far.

This theme allows us to see our collective role in active learning, living, and sharing of the science engineering and technologies associated with nuclear energy, health physics, plasmas for the life nuclear non-proliferation, nuclear materials, nuclear computational science, reactor engineering, and nuclear waste management to name a few broad areas. It also arms us with information to share with students and the larger public about the benefits we receive from nuclear science and engineering. We’re nuclear engineers, we’re innovators, and we’re ambassadors for the continued use of an awesome technology in our backyards!

NC State’s nuclear program turned 70 years old in 2020; which, further emphasizes the significance of hosting the ANS Student Conference to help celebrate this milestone. We enlighten ourselves with our history, embrace our present and empower ourselves as we move ahead.
We ask you to review our sponsorship and exhibitor packages to determine if any options fit your organization’s needs to Enlighten, Embrace, and Empower the next generation of nuclear science and technology leaders. We look forward to working with our sponsors and exhibitors to make the 2021 ANS Student Conference the best in the department’s history!

Sincerely,

Benefits of Sponsorship

The ANS student is the largest single gathering of students studying fields of nuclear science and technology. The ANS student conference provides an opportunity for students to enlighten their peers by showcasing their research results. Additionally, it provides a chance for students to embrace the capabilities of nuclear science and technology through tours of nuclear reactors, fuel fabrication facilities, and more. Finally, it empowers students through invaluable professional development opportunities for students to meet and network with other students, future colleagues, and current industry professionals.

These wonderful opportunities for students attending the conference would not be possible without the generous assistance of conference sponsors. As thanks, our conference provides as much exposure and networking opportunities as possible for sponsors to interact with the best and brightest aspiring scientists and engineers. Sponsorship options are tailored towards each individual company's needs while maximizing company visibility and networking opportunities. Sponsors should pride themselves on the fact that they are supporting the next generation of scientists and engineers by helping students exchange ideas and forge friendships that last a lifetime.

For your company's or organization's investment in the future of nuclear science and technology, we offer several sponsorship options various benefits. Benefits include a booth at the conference career fair, waived registrations, ad space, lunch and learn recruiting talks, and for our Platinum Leaders of the Pack, the opportunity to deliver a keynote address at one of the daily plenary sessions. For those organizations looking to participate in the conference without being a sponsor, we offer several different exhibition packages as well.

Sponsorship Packages

**Platinum Leader of the Wolfpack $35,000**
- Recognition as the alpha sponsor of the conference
- A three-minute video shown at the beginning of one of the plenaries
- Opportunity to deliver a keynote address at a plenary of preference
- Sponsorship of one social event or virtual tour
- One career fair booth
- Ten waived full-meeting registrations
- Recognition on marketing emails and social media channels
- Sponsor of a technical track
- Exclusive banner at positions on the Student Conference online platform

**Gold Leader of the Wolfpack $20,000**
- Opportunity to deliver a keynote address at a plenary
- Sponsorship of one social event or virtual tour
- One career fair booth
- Seven waived full-meeting registrations
- Recognition on marketing emails and social media channels
- Sponsor of a technical track
- Exclusive banner at positions on the Student Conference online platform

**Silver Leader of the Wolfpack $15,000**
- Sponsorship of one social event or virtual tour
- One career fair booth
- Five waived full-meeting registrations
- Recognition on marketing emails and social media channels
- Exclusive banner at positions on the Student Conference online platform

**Bronze Leader of the Wolfpack $10,000**
- Panel or workshop sponsor
- One career fair booth
- Three waived full-meeting registrations
- Recognition on marketing emails and social media channels

**Member of the Wolfpack $5,000**
- One career fair booth
- Two waived full-meeting registrations
- Recognition on marketing emails and social media channels

**Companion of the Wolfpack $2,500**
- One career fair booth
- One full-meeting registration
- Recognition on marketing emails and social media channels

**Supporter of the Wolfpack $1,000**
- Recognition on marketing emails and social media channels
Sponsorship Packages

Red Wolf Exhibitor $10,000
- One career fair booth
- Three full-meeting registrations
- Recognition as a conference exhibitor
- Exclusive banner at positions on the Student Conference online platform

Arctic Wolf Exhibitor $5,000
- One career fair booth
- Two full-meeting registrations
- Recognition as a conference exhibitor

Grey Wolf Exhibitor $2,500
- One career fair booth
- One full-meeting registration
- Recognition as a conference exhibitor

Conference Lanyards Full Sponsor $3,500

Conference T-Shirt Logo $2,500

Note: The sponsorship add-ons must be added to a main package. Purchasing a conference lanyard or T-shirt logo package will include your organization’s logo on the respective merchandise; T-shirts and lanyards will be sent out by ANS to the first 300 attendees to register (domestic shipping only).

Sponsorship and Exhibitor Packages

☐ Platinum Leader of the Pack ($35,000)
  • Recognition as the alpha sponsor of the conference
  • A three-minute video shown at the beginning of one of the plenaries
  • Opportunity to deliver a keynote address at a plenary of preference
  • Sponsorship of one social event or virtual tour
  • One career fair booth
  • Ten waived full-meeting registrations
  • Recognition on marketing emails and social media channels
  • Sponsor of a technical track
  • Exclusive banner at positions on the Student Conference online platform

☐ Gold Leader of the Pack ($20,000)
  • Opportunity to deliver a keynote address at a plenary
  • Sponsorship of one social event or virtual tour
  • One career fair booth
  • Seven waived full-meeting registrations
  • Recognition on marketing emails and social media channels
  • Sponsor of a technical track
  • Exclusive banner at positions on the Student Conference online platform

☐ Silver Leader of the Pack ($15,000)
  • Sponsorship of one social event or virtual tour
  • One career fair booth
  • Five waived full-meeting registrations
  • Recognition on marketing emails and social media channels
  • Exclusive banner at positions on the Student Conference online platform

☐ Member of the Pack ($5,000)
  • One career fair booth
  • Two waived full-meeting registrations
  • Recognition on marketing emails and social media channels

☐ Companion of the Pack ($2,500)
  • One career fair booth
  • One full-meeting registration
  • Recognition on marketing emails and social media channels

☐ Supporter of the Pack ($1,000)
  • Recognition on marketing emails and social media channels

☐ Red Wolf Exhibitor
  • One career fair booth
  • Three full-meeting registrations
  • Recognition as a conference exhibitor
  • Exclusive banner at positions on the Student Conference online platform

☐ Arctic Wolf Exhibitor
  • One career fair booth
  • Two full-meeting registrations
  • Recognition as a conference exhibitor

☐ Grey Wolf Exhibitor
  • One career fair booth
  • One full-meeting registration
  • Recognition as a conference exhibitor

Add-On Packages

☐ Conference Lanyards ($3,500)
  • Company logo and name featured on front

☐ Conference T-Shirt Logo ($2,500)
  • Advertisement of company logo and name on conference t-shirts
