

RAD FEST

An all-out nuclear science event for students

Get hands-on with nuclear, meet science educator Kyle Hill, and score cool gadgets like Geiger counters and cloud chamber kits. If you're into science, tech, or just cool stuff that glows, RadFest is for you!

Kyle Hill
Science Educator
and YouTuber

Saturday, June 14, 2025

10:00 AM - 2:00 PM

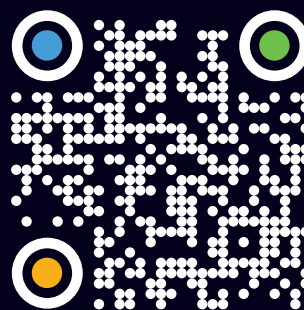

Argonne National Laboratory

Lunch Provided
