

# Young Professionals Congress 2025

Saturday, November 8, 2025 | Washington, DC

## It takes a village

YPC is a one-day, all-day immersive experience geared toward future leaders, young professionals, and students, taking place the day before the ANS Winter Meeting kicks off. Attendees will hear from luminaries in the field and have opportunities for professional development through engaging technical, policy, and economic discussions. YPC is an enriching networking event for career growth, generating creative ideas, and fostering excitement about the nuclear community.
