## 2013 Utility Working Conference Release Agreement

I, \_\_\_\_\_, willingly allow use of my presentation at the  
(PLEASE PRINT NAME)

ANS 2013 Utility Working Conference and provide an electronic copy of the materials identified below to the American Nuclear Society (ANS). I understand that ANS will be placing this information on the Online Knowledge Center site. I confirm that all artwork and proof of ownership, or permissions or assignments of copyright for quotations from text or graphic elements published or copyrighted elsewhere have been received.

I warrant that the materials are original and contain no matter which is libelous, or infringes upon any existing right of privacy, copyright, trademark or any other statutory or common law proprietary or civil right. I also agree to indemnify, defend and hold ANS, its directors, officers, employees and agents harmless against any claims to the contrary.

I hereby grant to ANS a perpetual, royalty free, worldwide nonexclusive license to publish the entire work in electronic versions or any other version or media now existing and/or later to be created.

In consideration of this transfer, ANS agrees to publish the presentation at its own expense. ANS has complete discretion as to where to place the presentation on its website. I also understand that ANS reserves the right to pull the presentation from publication at any time for any reason whatsoever.
