

Corrigendum

S. BAJPAI et al., “Evaluation of Spatial Correction Factors for BRAHMMA Subcritical Assembly,” *Nucl. Sci. Eng.*, **181**, 361 (2015); <http://dx.doi.org/10.13182/NSE14-137>.

A mistake was made in Eq. (1) of the above paper. The equation published in the paper is

$$f = \left(\frac{\rho_{cri}}{\rho_{src}} \right) = - \left(\frac{A_d}{A_p} \right) \left(\frac{1}{\beta_{eff}} \right) \left(\frac{k_{eff}}{1 - k_{eff}} \right). \quad (1)$$

The corrected equation should be

$$f = \left(\frac{\rho_{cri}}{\rho_{src}} \right) = - \left(\frac{A_d}{A_p} \right) \left(\frac{1}{\beta_{eff}} \right) \left(\frac{1 - k_{eff}}{k_{eff}} \right). \quad (1)$$
