# Buyers Guide

## 66 Index to Categories

An alphabetical listing of the categories covered in the Buyers Guide, with cross-references and page locations of each category.

## 73 Products, Materials, and Services Directory

An alphabetical listing of product, material, and service categories, giving names and locations of suppliers for each category.

## 125 Directory of Suppliers

An alphabetical listing of suppliers, giving the location and telephone number of each company as well as the name of the person to contact for product information. Website and email information is provided when available. Code numbers of products supplied by the company follow each listing.

## 125 Part I—Companies located in the United States

## 144 Part II—Companies located outside the United States

### ONLINE DATABASE

**Radwaste Solutions** readers now have access to an open-access and fully searchable database of all companies listed in the Directory of Suppliers section of this issue and the annual *Nuclear News Buyers Guide*.

Over the last 12 months, this online database—which holds information for more than 600 companies listed throughout hundreds of categories related to the generation, handling, treatment, cleanup, transportation, storage, and disposal of radioactive waste—has been viewed more than **1.8 million times**.

If your company is not included already, visit [ans.org/news/bg/listings/](https://ans.org/news/bg/listings/) to create a **free basic listing**!

**Visit the ANS online Buyers Guide database at [ans.org/news/bg](https://ans.org/news/bg)**

Radwaste Solutions (ISSN 1529-4900), Volume 32, Number 2. Published two times a year (Spring and Fall) by the American Nuclear Society, Inc., with business, executive, and editorial offices at 1111 Pasquinelli Dr. Suite 350, Westmont, Illinois 60559. Copyright © 2025 by the American Nuclear Society.

Subscription rate for 2025 is \$500, which includes complimentary electronic access, 1994 to current issue; for subscriptions outside of North America, add \$25 for shipping and handling. This rate is valid for all libraries, companies, departments, and any individual subscribers (who are not ANS members). Alternatively, subscription rate is \$450 for Electronic Access Only to entire historical archive, 1994 to current issue. Individual ANS members receive an online subscription to *Radwaste Solutions* as part of membership. A print subscription for members is \$30; members who live outside of North America should add \$25 for additional postage and special handling. Single copy price is \$130, plus \$12.50 for customers outside of North America.

Opinions expressed in this publication are those of the authors and do not necessarily reflect the opinions of the publisher, the editor, the American Nuclear Society, or the organizations with which the authors are affiliated, nor should publication of the authors' points of view be construed as endorsement by the American Nuclear Society.

Reprints of articles that appear in *Radwaste Solutions* can be purchased by contacting ANS at 800/323-3044 or [askanything@ans.org](mailto:askanything@ans.org).
