

Radwaste Solutions

Volume 18, Number 5
November–December 2011

Feature

The Benefits of International Cooperation on Decommissioning: U.S. and U.K. Contributions to the Decommissioning of Kazakhstan's BN-350 reactor

15

U.S. and U.K. assistance at BN-350 was aimed at reducing potential threats from the presence of nuclear and radioactive materials and at putting the reactor beyond economic reuse.

2012 Radwaste Solutions Buyers Guide

Index to Categories

21

An alphabetical listing of the categories covered in the Buyers Guide, with cross-references and page locations of each category.

Products, Materials, and Services Directory

27

An alphabetical listing of product, material, and service categories, giving names and locations of suppliers for each category.

Directory of Suppliers

An alphabetical listing of suppliers, giving the complete mailing address and telephone number of each company, as well as the name of the person to contact for product information. Fax, Web site, and e-mail information is provided when available. Code numbers of products supplied by the company follow each listing.

Part I—Companies located in the United States

77

Part II—Companies located outside the United States

94

Acknowledgments: The directory sections of this Buyers Guide are kept current by means of an online database that was set up by Joe Koblich, Director, Information Services, and his staff. Special acknowledgment goes to Advertising Department Staffers Erica McGowan and Bess Weglarz for their diligence and perseverance in carrying out the advertising coordination, data collection, editing, and input processes. Layout and production are carried out by Chris Salvato, Radwaste Solutions Desktop Editor.
