

Radwaste Solutions

Volume 19, Number 5
November–December 2012

Features

- Centralized Interim Storage: Past, Present, and Future** 14
Summarizing the history of centralized interim storage in the United States and examining the potential for future implementation of the concept.
- La Crosse Fuel Is Moved to an ISFSI** 24
The reactor's 333 fuel assemblies were transferred to an ISFSI in five shipments over the 2012 summer months.

2013 Radwaste Solutions Buyers Guide

- Index to Categories** 29
An alphabetical listing of the categories covered in the Buyers Guide, with cross-references and page locations of each category.
- Products, Materials, and Services Directory** 35
An alphabetical listing of product, material, and service categories, giving names and locations of suppliers for each category.
- Directory of Suppliers**
An alphabetical listing of suppliers, giving the complete mailing address and telephone number of each company, as well as the name of the person to contact for product information. Fax, Web site, and e-mail information is provided when available. Code numbers of products supplied by the company follow each listing.
- Part I—Companies located in the United States** 81
- Part II—Companies located outside the United States** 98

Acknowledgments: The directory sections of this Buyers Guide are kept current by means of an online database that was set up by Joe Koblich, Director, Information Services, and his staff. Special acknowledgment goes to Advertising Department Staffers Erica McGowan and Lisa Dagley for their diligence and perseverance in carrying out the advertising coordination, data collection, editing, and input processes. Layout and production are carried out by Chris Salvato, Radwaste Solutions Desktop Editor.
