## Tentative Conference Details

- April 16–18, 2026
- This is projected to be the largest gathering of nuclear engineering students ever!
  - We are projecting around 750 attendees based on past conference numbers.
- We last hosted this conference in 2015 (2001, 2008, 2015)

## Conference Logistics

- Texas A&M Hotel and Conference Center, The Hilton, and The Drury
- We will use the Memorial Student Center (MSC) and Rudder Complex for most of our sessions, panels, and other events throughout the day
- Almost all panels, banquets, sessions, and workshops will be within a 5 minute walk!!

## Dinners

- Thursday Night - Kyle Field Hall of Champions Opening Banquet (Formal)
- Friday Night - Aggie Park Tailgate (Casual)
- Saturday Night - Aggie Spirit Lawn Closing Banquet (Formal)
