Nuclear Science Week

nuclearscienceweek.org

Nuclear Science Week invites people from all over the globe to “Get to Know Nuclear” and participate in a week-long celebration that advances education, stimulates participation and generates communication that provides insight and visibility for the achievements of the nuclear sciences.

How to post your events.

Visit nuclearmuseum.org

Click on “Contact Us”

Click on “Share Your Story”

OR

Tag Nuclear Science Week on your
social media platforms and use
#nucsciweek

Where to find resources.

Visit nuclearmuseum.org

Click on “Get Involved”

Here, you can find information on hosting an event, lesson plans, resources, and an Event Branding Pack is coming soon.

You can also email info@nuclearmuseum.org for more unique activities.

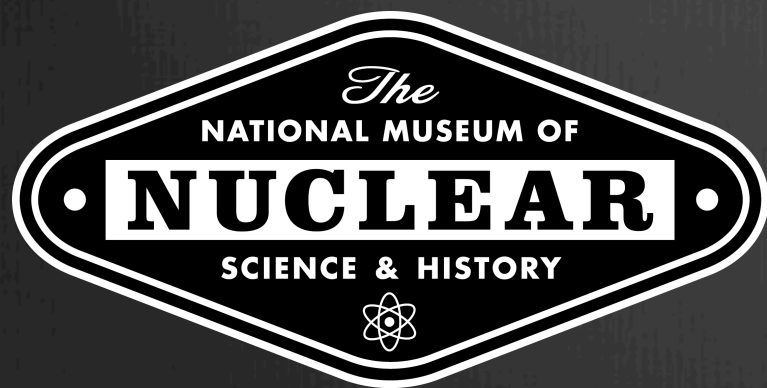

Thank you for your time!
